

The Dodge County Highway Department will be applying a sealcoat to the surfaces of the following roads during the months of June and July:

- CTH AW (CTH A - Jersey Road) June 9-12
- CTH AY (Brownsville - Dodge County north limits) July 8
- CTH C (Lakeland Road - USH 151) June 16-18
- CTH DE (CTH D – CTH G) June 22
- CTH KW (Lowell – STH 26) June 23-30
- CTH TW (CTH S - railroad tracks) July 2
- CTH YY (Leroy – STH 49) July 6-7

This work will include a sealcoat application on the asphalt surface followed by new pavement marking.

Due to the nature of the sealcoat product being applied, a one-day closure of the roadway will be necessary. The roadway will close in the morning and be open to traffic by late afternoon.
